How did I get to Toolamba...?

It was time for a change, to live life differently. I'd lived in the south east of Melbourne all my life. Port Phillip Bay always within a 30 minute drive of home & work in the Melbourne area. Absolutely, I enjoy the Bay but I enjoy all of nature, the trees, birds, animals & less hustle & bustle.

So my partner, Rob, & I moved to Toolamba four years ago.

Work life for me really began at the Herald & Weekly Times (HWT) - when the HWT printing presses were located at Flinders St, when they published The Sun (Daily at dawn), The Herald (the evening paper) & The Weekly Times. Television Channel 7 and Radio Station 3DB were part of the HWT stable and where I started.
